Pointe-Claire, QC, newest home to LASIK MD and affordable, world-class laser vision correction

Pointe-Claire, QC, July 21, 2011 - LASIK MD, Canada's only national provider of laser vision correction, is pleased to announce the opening of its newest clinic in Pointe-Claire, Quebec. The clinic opens today as the company's 27th in Canada, seventh in Quebec, and fourth in the greater Montreal area.

"We've been offering laser vision correction in Montreal since 2001 at our downtown location," said Dr. Mark Cohen, LASIK MD president and co-founder. "We're excited about our new LASIK MD clinic in Pointe-Claire because it will help us to better serve our patients in the West Island."

LASIK MD provides a free, comprehensive eye examination, using state-of-the-art diagnostic equipment, to determine if the patient is a good LASIK candidate. LASIK MD's team of eye care professionals will consult with candidates and recommend treatment options best suited to their needs. Prices start at $490 per eye, with multiple financing options available, and are all backed by LASIK MD's lowest price guarantee.

The Pointe-Claire clinic is staffed with a team of experienced professionals who specialize in laser vision correction. Leading the team in Pointe-Claire will be Dr. Jean-Pierre Chartrand, who was the former chief surgeon for Acura Laser Vision. "We are pleased to welcome Dr. Chartrand to the LASIK MD team," said Dr. Avi Wallerstein, LASIK MD co-founder and co-national medical director.

The new Pointe-Claire clinic is located at 2415a Trans-Canada Highway, in the Mega Centre Des Sources.
